RAIL MUSEUM

**PRESERVING THE PAST,
EDUCATING THE PRESENT,
INSPIRING THE FUTURE**

A JOURNEY THROUGH HERITAGE.
A VISION FOR TOMORROW.

INTRODUCTION

A Rail Museum is a centre dedicated to preserving, interpreting, and presenting the history, development, and contribution of railways to society.

Through historic locomotives, coaches, signalling and communication equipment, engineering artefacts, photographs, documents, uniforms, models, and personal stories, a rail museum brings railway heritage to life.

It is more than a place where old trains and equipment are displayed. A modern rail museum can serve as an educational, cultural, technical, and community centre, helping visitors understand how railways have influenced transportation, trade, industry, urban development, technology, and everyday life.

EDUCATING THE PRESENT,
INSPIRING THE FUTURE

RAIL MUSEUM

A journey through time that celebrates
the legacy of Indian Railways and
inspires the future of mobility.

INTRODUCTION

A Rail Museum is a centre dedicated to preserving, interpreting, and presenting the history, development, and contribution of railways to society.

Through historic locomotives, coaches, signalling and communication equipment, engineering artefacts, photographs, documents, uniforms, models, and personal stories, a rail museum brings railway heritage to life.

It is more than a place where old trains and equipment are displayed. A modern rail museum can serve as an educational, cultural, technical, and community centre, helping visitors understand how railways have influenced transportation, trade, industry, urban development, technology, and everyday life.

VISION 2047

Building a future-ready, innovative and sustainable railway heritage for Viksit Bharat.

MAKE IN INDIA

Honouring heritage, encouraging indigenous innovation and empowering the nation.

NET ZERO 2070

Preserving heritage today for a cleaner, greener and sustainable tomorrow.

DIGITAL INDIA

Using technology and digital innovation to connect heritage with the future.

OUR HERITAGE. OUR PRIDE. OUR FUTURE.
